Environmental Compliance Statement

Dear customers,

Southchip Semiconductor Technology (Shanghai) Co., Ltd (collectively 'Southchip') is committed to fully support our customers about the environmental and green production requirements.

Southchip is in compliance with the Restriction of the use of Certain Hazardous Substances in electrical and electronic equipment, as well the environmental regulations and standards known as ROHS 2.0, Halogen, Pb, PAH, PFOA\PFOS and REACH SVHC (last updated: https://echa.europa.eu/candidate-list-table), based upon the information collected from Southchip's Supplier Chain.

We shall notify you promptly in the event of any changes or inaccuracy in such information. Please feel free to contact us if you have any question on the conformation above.

Thanks and best regards.
